Special Thanks:

First of all thanks to Adad from Eulorhythms for putting me back in the game, God bless!
To Custom, you have helped me very much in putting this album together without you this
wouldn't be possible. Mr. Furley, Twan Freeman, Thiaone Davis, Iomas Marad,
DJ Ambideckstriks, Cosmo Galacius, MC Juni, Kasfaway, Mr. Rahgers.
Thanks to my fiance Karrie, for your support! I love you very much!
My children Taylor and Caleb.

P.S. Don't let fake ass niggas in your camp, they can only hold you back.
The people that I'm talking about know who they are.
There are some honest people in music, just stay strong
and good things will happen.

This album is dedicated to Doretha Strong - R.I.P. I love you mom.
